4M GROUP

About Us

Our company was born out of our founder's passion, who was inspired after a long experience in organizing exhibitions and events.

Based in Jeddah - Saudi Arabia, and founded in 2009, we provide full-service event management.

4M team is well trained and passionate about events as well, and take each one personally. this passion and dedication, combined with their experience enables us to achieve our projects goals.

We handle all details from concept, planning process to completion, working alongside suppliers to create a unique and memorable events.

CEO Message

We strongly believe in professionalism and creativity, therefore, we incorporate these principles in our work and it shows through the level of quality in the preparation and execution of our projects.

WHAT WE DO

PAST EVENTS

One of the most delightful social experiences is attending a live show. Thus, we are keen that these events are held in high level that makes them an unforgettable experience.

We have organised a different series of events and live concerts performed by single or multiple artists, and takes into account all audience categories.
